Although the abovementioned is the current level of turnover/income and is closely related to the economic indicators, it may be more or less in future. Consequently, this Certificate does not serve as a guarantee that the income reflected will continue at the same levels. Where the entity is a start- up enterprise this EME Certificate is valid only for contracts with a single value of less than or equal to R 5 million. Should the contract value being tendered for be higher than R 5 million and less than R35 million, the EME will be required to submit a QSE Verification Certificate with any tender. For contracts over R35 million a B-BBEE Verification Certificate based on the Generic Codes must be submitted

Based on our procedures, which do not constitute an audit or review, we have determined that the turnover / income is less than R5 million and that the level of Black Ownership / Black Women Ownership is at a LEVEL 4.

We do not accept or assume responsibility to anyone, apart from Magic Bullet Media CC, for our work, for this report, or for the conclusion we have reached.
